

School Support Programme for Armenia and Karabagh

Since 2010 the Tekeyan Centre Fund (Armenia) has initiated "School Support Programme" which patronizes schools in Armenia and Karabagh.

The wide range of cultural, educational, sports and humanitarian activities within the programme enables the TCF to care for schoolchildren and to underscore school problems for their further solutions.

The TCF's "School Support Programme" budget spent in 2010-2014 was about \$ 155,000 and involved more than 4,300 schoolchildren.

The TCF welcomes general donations as well as donations to a particular school project:
